UNLEASHING THE POWER OF AI-ML

SLIET INNOVATION SUMMIT : AI TALES

The AI Tales event at the SLIET Innovation Summit is a storytelling competition designed to explore creative narratives inspired by Artificial Intelligence (AI). Participants will weave imaginative stories that highlight the impact, potential, and ethical considerations of AI technologies. This event aims to blend artistic expression with technological themes, fostering innovation and narrative craftsmanship among participants.

DETAILED DESCRIPTION

- **Format:**
 - Participants are required to send a recorded video of them narrating their story to the organizing committee. This process will be notified 3 days before summit to the participants.
 - Top 40% selected participants will present their stories in front of a panel of judges.
 - Each participant will have a specified time limit to narrate their story.
- **Theme:**
 - All stories must revolve around AI-related themes such as futuristic scenarios, ethical dilemmas, societal impacts, or personal experiences with AI.
- **Content:**
 - Stories can be fictional or based on real-life scenarios, emphasizing creativity and originality.
 - Participants are encouraged to explore diverse perspectives and engage the audience emotionally and intellectually.
- **Presentation:**
 - Participants may use props, visuals, or multimedia aids to enhance their storytelling, if appropriate and within the time limit.
- **Participation:** Only one participant from each college.

DETAILED DESCRIPTION

- **Judgement Criteria:**
 - **Storytelling Skills:** Ability to engage and captivate the audience through narration.
 - **Relevance to AI Theme:** Depth of exploration and understanding of AI-related concepts.
 - **Originality and Creativity:** Uniqueness and imaginative approach in presenting AI themes.
 - **Impact:** Emotional resonance and thought-provoking nature of the story.
- **Audience Interaction:**
 - Audience members may (or may not) participate through voting or feedback mechanisms to engage with the stories.
- **Registration:**
 - Participants must register for the AI Tales competition by the deadline specified by the organizing committee.
- **Preparation:**
 - Participants will have ample time to prepare their stories as per their choice after the summit registration has closed and the participant list is finalized.

CERTIFICATION POLICY

- **Certification Policy**
 - **Participation Certificate:** All participants will receive a certificate of participation.
 - **Achievement Certificates:**
 - Top 3 storytellers will receive special achievement certificates.
 - The best storyteller will receive a certificate of excellence.
- Top 3 participants shall also receive cash prize/ goodies.
