SLIET INNOVATION SUMMIT : QUIZ

The SLIET Innovation Summit will feature a Quiz Competition designed to test participants' knowledge on the latest trends in Artificial Intelligence (AI) and insights from the workshops held on Day 1 of the summit. The quiz aims to foster learning, encourage collaboration, and recognize excellence among the attendees.

DETAILED DESCRIPTION

- **Number of Questions:** The quiz will comprise 20 questions.
- **Time Limit:** Participants will have 25 minutes to complete the quiz.
- **Question Distribution:**
 - 60% of the questions (12 questions) will be related to new AI trends.
 - 40% of the questions (8 questions) will be based on the workshops held on Day 1 of the summit.
 - The proportion can change before the event depending upon situations.
- **Team Composition:**
 - The quiz can be attempted by individual participants or teams of two members from the same team.
 - Teams can discuss and collaborate during the quiz.
- **Flexibility Clause:** The organizing committee reserves the right to modify the rules before the start of the quiz. Any changes will be communicated properly to all participants.

TEAM DESCRIPTION

- **Eligibility:** All registered participants of the SLIET Innovation Summit are eligible to participate.
- **Team Formation:** Participants can choose to compete individually or in pairs. If participating as a team, both members must belong to the same registered team.
- **Registration:** Teams must register for the quiz by the deadline specified by the organizing committee.

JUDGEMENT CRITERIA

- **Scoring:**
 - Each correct answer will earn points.
 - The quiz will follow a no-negative marking scheme.
