SLIET INNOVATION SUMMIT

EVENT RULEBOOK

Event Details

- **Event Schedule:** The event schedule has been attached with this rulebook. This schedule is subject to change as deemed necessary by the organizing committee.
- **Workshops and Seminars:** Participation in all scheduled workshops and seminars is mandatory.
- **Event Format:** The event will consist of various competitions, lectures, and seminars.
- **Participants** will receive detailed guidelines for each event upon registration.

Rules and Regulations

- **Changes and Modifications:** The ISTE SLIET Student Chapter holds the right to make any changes to the rules, regulations, and event schedules if necessary, at any moment without prior notice.
- **Queries:** For any queries, participants can reach out to the organizing team at:
 - Email: istesliet@sliet.ac.in

Additional Information

- **Safety and Conduct:** Participants are expected to maintain decorum and adhere to safety guidelines throughout the event.
- **Property Damage:** Participants will be held responsible for any damage to institute property. Necessary actions will be taken in case of any damage.
- **Identity Verification:** Participants must carry a valid ID proof (preferably their institute ID card) for verification at the registration desk. Must bring 2 passport sized photographs along with yourselves.
- **Medical Assistance:** Basic medical assistance will be available on campus. Participants with specific medical needs should inform the organizing team in advance.

SLIET INNOVATION SUMMIT

EVENT RULEBOOK

Event Description:

- **Quiz:** The Quiz Competition at SLIET Innovation Summit challenges participants with 20 questions over 25 minutes, focusing on AI trends and Day 1 workshop topics. Teams of 1-2 members compete for top honors, with the organizing committee retaining the right to modify rules before the quiz starts.
- **Debate:** The Debate Competition at SLIET Innovation Summit involves teams of 2-4 members debating AI topics. The event features elimination rounds until one winner remains. Topics are assigned three days prior, and a wildcard entry system is in place. Debates last up to 8 minutes per team.
- **AI Tales:** AI Tales at SLIET Innovation Summit is a storytelling competition focusing on AI themes. Participants craft engaging narratives about AI's impact, using creative and original content. Stories are presented to a live audience and judged on storytelling skills, relevance, creativity, and emotional impact. The best storyteller wins recognition and prizes.
- **AI Pitchdeck:** The AI Startup Pitch Competition at SLIET Innovation Summit allows AI startups to pitch their innovative ideas to potential investors. Participants present their solutions, receive feedback, and may secure real-time funding. The event fosters entrepreneurship and innovation, offering a platform to turn AI concepts into reality. No cash prize is awarded.
- **MysteryMaze:** Mystry Maze at SLIET Innovation Summit is an AI-driven treasure hunt. Teams of 3-6 solve riddles using AI tools, navigating through checkpoints to uncover the final prize. The 2-hour event challenges problem-solving and teamwork, with one winning team rewarded with cash prizes or goodies.

SLJET INNOVATION SUMMIT

EVENT RULEBOOK

Event Description:

- **InfinityForge:** Compete in classic squad mode across dynamic maps, showcasing your gaming skills and strategic prowess. This exciting tournament invites teams of up to four players to battle it out for prestigious titles and prizes. Experience intense gameplay, teamwork, and the thrill of being the last squad standing. Participants must adhere to all rules and guidelines for a fair and enjoyable competition. Join us and prove your mettle in the ultimate BGMI showdown!
- **HackForge:** Welcome to HackForge at SLJET Innovation Summit, where teams tackle curated problem statements or showcase their own engineering innovations, including AI models. Participants present their solutions in a structured 10-slide format, emphasizing creativity, thoroughness, and originality. Teams must demonstrate their real-life models or prototypes alongside their presentations, showcasing practical applications and innovative solutions. Join us to push technological boundaries and showcase AI-driven engineering prowess.

KEYPOINTS:

- **PROBLEM STATEMENTS MAY CHANGE IF ANY LOOPHOLES FOUND BY THE ORGANISING TEAM, KEEP A CHECK OVER THE PROBLEM STATEMENTS.**
- **THE EVENT SCHEDULE IS TENTATIVE, IF ANY CHANGES ARE MADE INTO THE SCHEDULE ISTE SLJET HOLDS THE RESPONSIBILITY TO INFORM IT TO PARTICIPANTS**
